

The Mad Tavern; 841 Main Street; Waltham, MA 02451

<http://www.themadraven.com/>

You are cordially invited to join IBM for a complimentary evening of networking & live music while learning how to enhance your software development process.

The Mad Tavern
841 Main Street
Waltham, MA 02451

Thursday, September 30th
5:30 PM - 8:30 PM

Learn about Rational Team
Concert and Jazz

www.jazz.net

Enjoy good food and music
Network with peers

If you are interested in learning about an innovative approach to improve the software development process, then you will not want to miss this chance to hear Jeff Miller discuss the value of Jazz and Rational Team Concert. Jeff's accomplishments include:

- Over 24 years of software development experience as an electrical engineer, software developer and architect
- Owner and creator of the developerWorks Jazz Space at <http://www.ibm.com/developerworks/spaces/jazz>
- Consults, codes, teaches, writes technical articles and speaks to universities and groups
